

## The Tree of Knowledge

Each leaf represents a \$250 gift to the improvement of the library's buildings and projects. And a signature donor is still needed to support the "Legacy" giving tree itself. For a pledge of \$5,000, you, your family or your business will be engraved at the base of the tree.

## Make a pledge to your county library.

The enclosed Pledge form allows you to make the donation that is right for you. Some other donor recognition options are to provide a shelf panel or fund a study carrel or two. Or, make an in-kind donation from your business for our fund raising events and endowments! There is a pledge that will work for you.

## “Library Legacy” Capital Campaign for Klamath County Libraries

The Library Foundation has set as its goal raising \$135,000 through fund-raising, individual donors, and grant writing. The project has already received a bequest of \$120,000. Another \$120,000 has been allocated from the Library reserve, and the Park Board will provide the land/building space at no cost.

*The additional space for the Bonanza branch will allow for better use through four additional internet stations provided by the Bill and Melinda Gates Foundation.*

Our Library Foundation is a diverse group of individuals united by their love of reading, life-long learning, and their sense of community service. Immediately after our foundation received its non-profit status in 2004 we began a capital campaign to expand the children’s area at the main Klamath County library. Now that we have successfully completed this project, we are beginning a new capital campaign. Our efforts are now focused on improving the reading and learning experience of the residents served by the Bonanza branch library. Our plan is build a 1,900 square foot addition to the existing 900 square foot community center. The community center and the branch library now share the same space.
